_____

Profile

I am a recent graduate of University of California San Diego's Full Stack Coding Bootcamp focused on pursuing a career in tech. During my time at UCSD, we covered a wide range of coding topics relevant to what is currently in demand. This included, but was not limited to, some of the technical skills listed below. In addition to UCSD's curriculum, I completed some additional courses through Code Academy that revolved around what was taught during class as well as other topics in UX/UI Design.

<u>Technical Skills</u>

- HTML, CSS, Bootstrap, JavaScript, Node.js, Express.js, React.js, MySQL, MongoDB
- Familiar with the GitHub workflow and Unit Testing
- Experienced with deploying web applications to GitHub Pages and Heroku
- Knowledgeable of Responsive Design and Accessibility
- Responsible, organized, and able to work cooperatively with others
- Proficient with Microsoft Office Suite and SPSS25
- 3+ years of Spanish learning (Speaking- Poor/ Understanding- Good)

_____

Education
